Hi Dave, do you know yet what the format of the presentation portion will be (i.e., will it be power point or boards/handouts?). Thanks. - J

Subject: proposed agenda for the 10/30/08 public meeting

Hi Kristin - with the 10/30 meeting now three weeks away we wanted to propose the following agenda. Let me know if you have any comments or suggestions. We can also discuss more at next Thursday's SER meeting. For instance, although Q&A is listed at the end, we would likely take questions during the various presentations like last time.

Thanks - Dave

1. Intro (HDC/EPA - describe joint aspect of the meeting)
 2. Superfund dredging progress to date (EPA) - 20 min
 3. Navigational dredging progress to date (HDC/Apex) - 20-25 min
- include primer on CAD cells
4. Update on EPA's evaluation of alternative approaches for the Superfund harbor cleanup (EPA) - 20 min
 5. Time frame for future Superfund decision making/public comment
 6. Q&A
